6 (1) Returned, with compliments-

(2) The estimate as scrutinised in this office amounts to Rs.6,858 The difference is due to - (1) provision of brick in mud in lieu of brick in mortar as per recent orders of the Dewan in - - - regard to the construction of buildings and (2) provision of schedule rates for (i) brick in ---- chunam for foundation and basement, (ii) rolled - steel beams, (iii) ridge tiles set in mortor, (iv) burnt stone slabs 6" thick roughly dressed and (v) plain parapet wall-

The plan and estimate have not been - - - - countersigned by the Director of Public Instruction in Mysore-

A site plan of the proposed building has -- not accompanied the estimate-

No provision has been made in the estimate for the acquisition of land on which the building is proposed to be constructed-

OFFICE OF THE PRESIDENT
CITY MUNICIPAL COUNCIL, MYSORE

Dated 24th February 1928

4028/27-2-28

From

C. S. KUPPUSWAMIENGAR, Esq.,
President, City Municipal Council,
MYSORE.

MC 267-27-1

To

The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I have the honour to forward, herewith, a revised estimate amounting to Rs 7,250/- for constructing a school building in Devaraj Mohalla, Mysore, as sanctioned by the Municipal Council at their meeting held on 28th January 1928 and to request that you may be so good as to obtain the sanction of Government thereto

The report accompanying the estimates and plans in duplicate explains the necessity for the work on the details of construction Copy of the Municipal Council's Resolution thereon is appended

I have the honour to be,
Sir,
Your most obedient servant,

President

President

Report on the estimate for constructing a school in Devaraja Mohalla, Mysore

---

Amount of the estimate Rs. ~~7,350~~ 6858/-

Want of a suitable building for a school in Devaraja Mohalla is very keenly felt and to do away with the inconvenience of occupying ill-suited rented buildings, the Municipal Council sanctioned the construction of a school at a cost of Rs ~~7,350~~ 6858/- at their ordinary meeting held on the 28th January 1928

The design for the school adopted is the same as the one recently constructed by the Railway Department at Vani Vilasa Mohalla without the end rooms of 22' x 15'. It provides for a central hall of 18' x 28' with a small portico in front, roofed with Mangalore tiles on teak wood work and reepers, and two side rooms of 15' x 22' with verandahs in front roofed with Pucca terrace of steel beams and teak wood joints

With a view to minimise the cost of the construction so as to enable the Municipality to meet the entire cost out of their revenues the original estimate for Rs.10,800/- forwarded to the Secretary, Development Departments, in this Office No 634 dated 18th October 1926, has been reduced to Rs. ~~7,350~~ 6858/- by deferring the construction of two end rooms of 22' x 15'

The cost of the work will be met out of the provision of Rs 9,000/- made in the Budget estimate for the purpose.

As the work is to be pushed through and completed by the end of the official year, early sanction may kindly be accorded to the estimate

---

A Srinivasa Rao

29

Letter No C T 1132 dated the 21st December 1928, from the President, City Municipal Council, Mysore, to the Chief Engineer of Mysore, Bangalore

---

I have the honour to forward herewith an estimate amounting to Rs 11,630/- for constructing a Primary Boys' School in Devaraj Mohalla for scrutiny and transmission to the Chief Secretary for favour of obtaining sanction of Government thereto

The report accompanying the plans and estimates in duplicate, explains the nature and necessity for the work A copy of the Council's resolution thereon is also forwarded for reference

The estimate has been modified in the light of instructions given in Chief Secretary's letter No.Camp L 12/M1 267-27 dated 31st May 1928 (copy enclosed for reference)

The cost of the work is proposed to be met out of the provisi of Rs 4,000/- made in the State Budget Estimates, for the construction of a Primary School in the Mysore City, for the year 1928-29 under the head "Education" Appendix - K Page 202, the balance of Rs 8,000/- will be supplemented out of Municipal Funds

Report to accompany the estimate for constructing a School 250
in Devaraja Mohalla Mysore City

---oo0oo---

Amount of estimate Rs ~~12,000~~ 11630

Want of a suitable building for a school in Devaraja Mohalla is very keenly felt and to do away with the inconvenience of occupying ill-ventilated and congested rented buildings it is proposed to construct a school in Block No 45 Devaraja Mohalla between Kothwal Krishnappa's and Mohadin Sahib's Kharkhana tree as per plan and elevation herein appended The site was specially acquired and reserved for the purpose for the past 4 years

An estimate amounting to Rs 10,800/- was submitted to Government for sanction in this Office letter No 634 dated 1st October 1926 requesting that the Education Department might be moved to contribute a sum of Rs 4,000/- towards the cost of the school The Chief Secretary to Government suggested thereon that the work might be proceeded with if the Municipal Council are willing to meet the entire cost of the work As the Municipal Council were unable to meet an expenditure of more than Rs 8,000/- the estimate was reduced to Rs 7,350/- by eliminating the construction of two end rooms and submitted for sanction In consideration of the strength of the school the Chief Secretary observing the inadequacy of the accommodation provided returned the estimate for revision and re-submission

Accordingly the present estimate is prepared as per the original design submitted to Government for sanction in the year 1926 The design provides for a central hall of 18' x 28' with a small portico in front roofed with Mangalore tiles two side rooms of 15' x 22½' with verandah in front roofed with pucca terrace and two end rooms of same roofed with Mangalore tiles Provision for the construction of compound wall around the site and a latrine of three seats with sanitary fittings has been made in the estimate The estimated cost of the building comes to Rs ~~12,000~~ 11,630/-

Letter No Camp L 12/M 267-28 dated 31st May 1928 from the Chief Secretary to Government to the President City Municipal Council Mysore

With reference to the plan and estimate for the construction of a school building in Devaraja Mohalla Mysore forwarded for sanction with your letter No B T 1389 dated the 24th February 1928 I am directed to state that the accommodation provided is not adequate The building should be larger as proposed in your letter No 634 dated the 18th October 1926 cost may however be reduced by revising the estimate on the lines indicated below -

(1) Provision of brick in mud in lieu of brick in Mortar (2) provision of scheduled rates for (i) brick in chunam for foundation and basement(ii) rolled steel beams (iii) ridge tiles set in mortar (iv) burnt stone slabs 6 thick roughl dressed and (v) plain parapet wall It is observed that the Municipality is willing to pay Rs 7 350/- as per its resolution The balance may be found from the provision made for the purpose in the Education Budget of the next year

The plan and estimates for Rs 10 800/- are also returned herewith for revision and resubmission in accordance with the above views
